It has adopted an unconstitutional concurrent resolution, in regard to the admusion of Southern Representatives. The Senate has rejected his re-appointment of Postmaster at St. Louis, although the appointee was an original Lincoln man of 1860, and first appointed to office by the departed President. It has also rejected his appointment of United States Marshal at Baltimore. The House has adopted a joint reso' betion, on two readings, declaring Tennessee, by implication, to be out of the Union, and imposing conditions for her readmission. This resolution having been concacted with no better purpose than to compel the President to veto it, and thus seem to be the means of keeping Tennessee from being represented in Congress. It has also hurriedly passed a bill reorganizing the John Catron. All these acts of aggres- is to be taken as an indication. sion have been made since the President indicated his desire to preserve amicable relations with Congress. They to expect of the justice and magnanim-
